Definitions of Terminology (for Catalogue purposes)

Note:

These Definitions are to be used as a guide only.

Buyers must use their own judgement when considering their purchase.

Approximately 6 weeks should be allowed for a new handler to bond with his/her new dog (bonding time may vary between dogs).

Starting

- Displays an interest and approaches stock according to natural ability.

Started

- Given basic commands, some training on a lead (Come, sit, stop etc)
- Keeness to work may override obedience.
- Rides on a vehicle or motorbike.
- Interested in stock and going around them in an enclosed area.
- Works according to natural ability.
- Handlers need to be on foot.
- Short practice sessions.

Well Started

- May be unsettled in strange places.
- Confident on a small mob and may not handle a large mob.
- Makes a few mistakes.
- Reasonably obedient depending on levels of desire.
- May need a while to settle when working.
- Brings a small mob of sheep towards handler in easy situations.
- Learning to drive stock but sometimes goes to the head of the mob.
- Needs a firm hand and plenty of praise / encouragement.
- Can be worked from either a car, bike, horse or on foot when settled.

Trained

- Mature in appearance.
- May be unsettled in strange places.
- Shows confidence in approaching stock that it is familiar with (i.e.; paddock dog – in paddock, yard dog – in yards)
- Acceptable levels of obedience.
- Keeness to work and nature will depend on genetic makeup.
- Yard dogs are keen to either force, back & bark when required.
