COMMENTS: Trained **WKC REG (A4M-42072-21)**

Nigel is a good athletic type of dog that has done plenty of mustering work. He mainly works cattle but is more than capable working sheep in the yards and out in the paddock. He has a good cast out in the hills and is a nice quiet dog behind his stock not over working behind his mobs. He works well by himself or in a team and is easy to have around the camp. His well mannered, rides on the back of the 4 wheeler or a buggy. Nigel probably lacks a little bit of 'feel' on a handful of runny lambs but is showing signs that it will develop with age and also experience of that kind of work.
